The names Widder and Widder Station have long disappeared from the area's current geography but, we feel that history should play a part in our golf course and development. Craft Beer Tap House, Tournaments and Event Facility rounds out the offerings here at Widder Station.

As you cast your line into these waters, you'll be met with the possibility of reeling in walleye, bass, perch, and even the elusive muskie.

The St. Clair River, with its swift currents and deep channels, is particularly renowned for its robust walleye population, drawing fishermen from far and wide. Local hotspots like the Bluewater Bridge area and the mouth of the river provide excellent opportunities to catch these prized fish. On Lake Huron, the fishing scene is just as vibrant, with shallow bays and deep offshore waters offering a diverse fishing experience. Whether you're fishing from the shore, a dock, or a boat, the possibilities are endless. The summer months bring an abundance of smallmouth bass and salmon, while the cooler seasons are perfect for targeting perch and pike.

For those with a competitive spirit, Sarnia-Lambton also hosts various fishing tournaments throughout the year, like the **Bluewater Anglers Salmon Derby**, adding an extra thrill to the fishing experience. These events not only offer the chance to showcase your skills and compete for prizes but also foster a sense of community among anglers. So, whether you're looking to enjoy a peaceful day on the water or engage in some friendly competition, fishing in Lambton County along the St. Clair River and Lake Huron promises a rewarding and unforgettable adventure.

Widder Station Golf , Grill & Tap House

In 1859, the Grand Trunk Railway built its track just north of the Town of Widder, (originally known as Pinehill). The Railway line linked Toronto to Chicago. Nelson Southworth, an early settler, laid out a townsite on his lands near the new railway line and donated property for the railway station.

The names Widder and Widder Station have long disappeared from the area's current geography but, we feel that history should play a part in our golf course and development. Craft Beer Tap House, Tournaments and Event Facility rounds out the offerings here at Widder Station.
